Dear Matt:

As a result of your excellent presentation at the ATI Meeting on June 7, I am very much in your debt for not only your excellent factual presentation, but also for your agreement to put this Association on your complete mailing list.

As you know, one of the product groups of this Association is the Safety Wearing Apparel members who are deeply concerned with the influences against the correct use of asbestos. They are willing and desirous of working toward a factual portrayal of the worth of asbestos products.

Best regards.

Sincerely,

INDUSTRIAL SAFETY EQUIPMENT ASSOCIATION, INC.
