Occupational Disease Claims

On April 2nd, 1964, we received 19 Formal Claim Petitions. Nine of these were occupational disease claims of which eight were in Dentine.

There are some indications that an organized procedure has been developed to indemnify individual employees of Manville on occupational disease and filing formal claim petitions for them.

In view of the 19 occupational disease claims received since March 20, 1964, and the probable appearance of more claims, I am requesting a meeting on Wednesday, May 6th, 1964, at 10:00 A.M. in the Main Conference Area at Manville Plant for a thorough discussion of this matter.

Some of the items to be covered would include the advisability of Pulmonary Function Studies, Consent Settlements, and job reassignment after exposure.

C. H. Grote

CC: W. F. Fischer

P.S. R.M.King: Would appreciate it if J. G. Moore, Jr. could also attend.
C.H.G.

P.S. Dr. Smith: Would appreciate it if C. Shockley could also attend.
C.H.G.
