RE: Manville, New Jersey
A. & S. Experience

Dear Mr. Schmidt:

This will acknowledge receipt of your letter of June 19 outlining the loss ratio under the Manville New Jersey location for the months of March, April and May 1956.

I have immediately turned this letter over to Norman Williams of the Travelers and have offered him two suggestions as to the type of help and material that they could furnish you in connection with this situation. I assume that the Travelers themselves will also come up with suggestions and recommendations as to how they can help to improve the experience.

I realize the importance of this situation to your company and will endeavor to do everything possible to improve the situation.

Very truly yours,

MARSH & McLENNAN, INC.
