RE: Ceas -vs- Johns-Manville
Court No. 72 L 5843

Dear Mr. Markusson:

We have obtained the x-rays of plaintiff taken in November, 1974. We really have no right to these films without a Court Order but we have procured them anyway. I hesitate to mail them because if they are lost we are going to look terrible. May I have your suggestions.

Dr. Cugell sent them to me though he did not take them. I would like to get them back to Northwestern University Hospital as soon as they have served your purposes.

Very truly yours,

F. B. LIBBE
