Mr. A. R. Fisher, V.P.

E.T. SHANAHAN
Yours Jan. 31st

I am attaching a "Recommendation for Transfer to 'Retired Payroll'" for Edward T. Shanahan. Naturally, I hope that he will be retained on the active payroll as long as possible, but when it is considered advisable to change his status, I hope that the Officer's Board will fix the retirement rate at no less than $125.00 a month.

From unofficial reports I understand that Eddie is not improving and it would be a very pleasant gesture if arrangements could be made to pay him at least $125.00 a month for a year or two.

When this matter has been disposed of, we will make application to Travelers' Insurance Company to have him declared totally disabled, his Group Life Policy to be paid at the rate of $100.00 per month.
