Herbert Miller

A check of the file in the above case indicates you did not receive a copy of my August 14 letter in answer to Mr. Hall's letter of August 5. I am enclosing a copy of my memo of August 14 and memo of Jan. 19 in which I communicated Dr. Smith's opinion to Mr. Hall. Also enclosed is a copy of comments from Dr. E. Emmet Kelly, of Monsanto Chemical Co. pertaining to Santocel.

Subject employee filed a claim for health benefits but his family physician, Dr. Stolow of Somerville, noted on the Health & Accident form that employee was able to work and no benefits for absence were paid by Travelers Insurance Co.
