In re Johns-Manville ads. Miller

Dear Mr. Stanton:

With respect to your inquiry of January 19th in the above entitled matter, as we advised you on November 4, 1952, we communicated to Mr. Mungle the fact that the Johns-Manville medical department believes Mr. Miller's present lung complaints to be non-compensable in nature, and that therefore, Johns-Manville was not disposed to do anything voluntary in this matter.

We have no way of knowing whether or not a petition will be filed, but we have heard nothing from Mr. Mungle with respect to this matter since last November.

We trust this is the information you desire.

Very truly yours,

Wharton, Hall, Stewart & Halpern
