for the Study of Tuberculosis
Saranac Lake, New York

Dear Dr. Gardner:

At Dr. Hektoen's request, I am sending you grant-in-aid application blanks.

Since the next Council meeting will not be held until June 7, applications will not be considered until that time. We appreciate it, however, if applications are sent in at least three weeks before the meeting so that they can be prepared for the agenda.

Very sincerely yours,

R. R. Spencer, Assistant Chief
