Re: Clarence E. Fearn vs. Johns-Manville Corp., et al.

Dear Mr. Markusson:

Enclosed please find a copy of plaintiff's supplemental interrogatories to defendant Johns-Manville Corporation. We have objected to all of the interrogatories and a copy of our objections is enclosed herein. I am not confident that our objections will be sustained by the court, but we will do our best to make it difficult for plaintiff to obtain any further information.

Very truly yours,

Paul D. Kruper
