Dr. Leroy U. Gardner
Director, The Saranac Laboratory
for the Study of Tuberculosis
of the Edward L. Trudeau Foundation
Saranac Lake, New York

Dear Dr. Gardner:

This will acknowledge receipt of your letter of September 2, enclosing a corrected budget to be attached to your application for a grant-in-aid.

We note that the Saranac Laboratory operates financially as part of the Trudeau Foundation. If the application is recommended, it will be necessary to have pages 1 and 2 revised. However, we need not go into that until the Council has passed upon the application.

The date of the next Council meeting has not yet been set.

Sincerely yours,

R. R. Spencer
