HEALTH HAZARD WARNING—MARINITE PRODUCTS

Re: Your letter of February 14, 1969.

I have been attempting to obtain a formal statement of J-M policy with respect to health hazard labelling of J-M's sheet products.

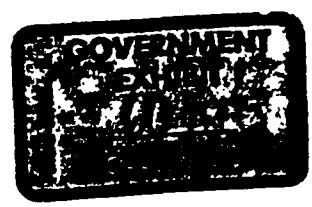

I am appending for your information a copy of E.M. Fenner's Confidential letter of February 17th to me on the subject.

In view of the fact that there is no expressed policy with regards to Marinite, Flexboard, Flat Transite, Chemtone and Colorlith, I suggest that we take no action at this time on labelling of sheet products.

R. W. Dobson
