Dear Mr. Ball:

We greatly appreciate your cooperation in sending us the articles enclosed with your letter of July 24, 1958.

We also appreciate your suggestion of Dr. Arthur J. Vorwald as a possible witness in this case.

Although I agree that Dr. Smith would probably be considered a prejudiced witness in view of his employment by your company, I would prefer not to rule out the possibility of our asking him to testify as a witness in this case.

In all events, we will let you know the result of this Workmen's Compensation proceeding.

Thank you again.

Sincerely yours,

Ralph M. Barley
