Dear Mr. Jackson:

Enclosed is our report concerning the subject case. In accordance with your instructions of May 10, we are sending two copies of the report to Dr. Samuel L. Keller, Waukegan Plant Physician.

Under separate cover, by registered mail, we have today forwarded to you the chest roentgenograms concerning this case which were forwarded to us by Mr. Emmett F. Day, Manager of Industrial Relations, Johns-Manville at Waukegan.

We are also sending you, by parcel post, insured, eleven slides of tissue. These slides were made from blocks (paraffin) which Doctor Zeeh at St. Therese's Hospital in Waukegan was kind enough to send us. Please forward them to him at your convenience.

In addition, you will find enclosed the work history of the deceased, a copy of the autopsy protocol, and reports by Doctors Keller, Petter, Sander, and Weis.
