RE: COLBURN V. JOHNS-MANVILLE 13-05748
YOUNG V. JOHNS-MANVILLE

Dear Jim:

I received your January 11, 1982 letter addressed to Mr. Goldstein and myself with an enclosure dated December 14, 1981 which appeared to be a summary of an interview with Tom Williams. The question naturally arises: do we name Mr. Williams in an answer to appropriate interrogatories as a person having relevant knowledge of sales to the appropriate refineries? Obviously, if we do so, we can expect efforts by plaintiff and co-defendants to take depositions. Until you give me a go ahead, I will keep Mr. Williams "under wraps".

Very truly yours,

STEVEN A. WEINER
