My dear Mr. Brown:

Enclosed find letter received from Miss A. S. Rossiter, Editor of "ASBESTOS." I am not answering it, but will leave it to you to handle as you see fit.

I did not see Dr. Gardner when I was in Placid during the month of August. I generally see him once or twice a year, and check on the asbestos dust experiments he is carrying along. We have had no report from him lately, and am just wondering if you have had any.

Very truly yours,
