Re: 79 SBA 26649 - Lawrence Nix (dcd.) Lula Nix (wdo.) vs Johns-Manville Sales Corporation

Gentlemen:

John Spatafore has approached me at the Board in San Luis Obispo about the possibility of altering the Compromise and Release, so that it does not settle out any rights which he may have in a potential third party action such as the cases in San Francisco now being conducted by Kazin's office.

Jack Russell and I have discussed this matter, and it was my impression that Johns-Manville's reaction would be either this lady settles at the negotiated amount for everything or we will stonewall her, and she'll probably never leave to see a time.

This is just to let you know that I intend to call Denver in the near future to discuss this matter.

Very truly yours,

JONES, NELSON, SISK & FORD
