RUTGERS UNIVERSITY
M. C. Shaw

1. The meeting was called to order by President Widmayer and a message of welcome extended to all members present.

2. Upon a call for the reading of the Minutes of the last meeting, it was moved by G. S. Fabel, seconded by R. E. Cryor and unanimously agreed that, since all members had received copies of these minutes and were therefore familiar with the actions therein set forth, the reading at this time should be omitted.

3. The Treasurer's Report was presented by Treasurer, A. J. Scanlan, and copies of this report are herewith attached. Following consideration of this report, it was moved by R. E. Cryor, seconded by G. S. Fabel and unanimously agreed that the report be approved.

4. The Secretary's report was next presented and a copy of this report is herewith attached.

5. The Legal Counsel addressed the meeting regarding various legal aspects of trade association work.

6. The first committee report was submitted by Mr. H. M. Jackson, Chairman, Air Hygiene Committee. On June 10th, this committee held meetings with the medical representatives of most of the member companies and in this endeavor initiated an effort to clarify medical understandings related to asbestosis and other air hygiene problems which confront our industry. A full report covering the work of this committee, submitted by Chairman Jackson is herewith attached.

Following the reading of this report there was a full discussion of the work of this committee and commendations were extended for the activities now under engagement. It was further agreed that the medical representatives should again be extended an invitation to attend the next meeting of this committee scheduled for New York City on Wednesday, September 9, 1953, so that the important work here initiated might be continued.

7. The Sales Promotion Committee report was presented by Chairman G. J. Harris. During the past quarter the handbook material

has received further consideration and editing and the second writing was presented at this meeting for further review. Also, it was reported that three Visual Aid Displays have been returned to Gardner Displays, Inc. for refurbishment and that an expenditure of $525 will be necessary to renew the exhibits and that new samples will be required for the three displays, such samples to be furnished by the member companies. The full report, presented by Chairman Harris, covering the activities of this committee is herewith attached.

Following the presentation of this report several actions related to these activities were taken:

1) Regarding the repairs to the Visual Aid Displays, it was moved by A. J. Scanlan, seconded by F. J. Wakem and unanimously agreed that the sum of $525 be authorized to meet the expenses involved in refurbishing the Visual Aid Displays now at Gardner Displays, Inc., and that the necessary replacement samples for the exhibits be provided by the member companies in accordance with the arrangements made within the Sales Promotion Committee.

2) During the course of the discussion relative to the Handbook it was unanimously agreed that every effort should be made to issue a publication of the highest quality with regard to construction as well as composition. It was further agreed that the text in its present form is excellent and that the physical construction of the booklet should be carried out with the same degree of excellence. The work of Mr. Howard Bain, as editor-in-chief, was given special commendation and upon recommendation by the Sales Promotion Committee, it was moved by

F. J. Wakem, seconded by R. E. Cryor and unanimously agreed that the compensation to be paid Mr. Bain for his services should be increased from the original $500 to $1000.

In addition, in keeping with the desire to issue the most attractive and useful handbook, it was further agreed that an additional $1000 should be added to the Publicity Fund Account to meet the necessary printing expenses. Such action was moved by F. J. Wakem, seconded by R. E. Cryor and unanimously agreed upon.

The work of the Sales Promotion Committee, George J. Harris, Chairman, and Howard T. Bain, editor, in connection with the publication of this Handbook was highly commended by several of the members in attendance and the opinion expressed that this work will provide the Institute with one of its most worthwhile contributions to the industry.

8. The report of the Technical Committee was submitted by J. L. Tucker, Chairman and a copy of this report is herewith attached. Following a discussion of the several subjects covered in this report, it was unanimously agreed that the actions and recommendations therein set forth be approved.

9. The Fellowship Report was presented by Dr. M. C. Shaw and included as a part of this report was an index of all Fellowship reports to date. Copies of these two items are included as a part of these Minutes.

10. In closing the meeting President Widmayer announced that the next General meeting will be held at the Essex House in New York

City on Thursday, September 10, 1953 with attendant committee meetings being held on Wednesday, September 9th.

Following this announcement the President expressed his great satisfaction with the work and activities of the Institute and its several committees. Each committee is presently vigorously engaged in promoting work within its field of interest and in so doing is fully justifying its existance within the structure of the Institute and the Institute's service to the industry as a whole.

11. There being no further business to come before the meeting it was moved by R. E. Cryor, seconded by G. S. Fabel and unanimously agreed that the meeting be adjourned.

Myril C. Shaw,
Secretary
