London W1Y 4AN
England

Dear Alex:

The preparation of a press release was an unfinished piece of business at our meeting in July. I wonder if you had a chance to put anything together.

I have asked Doris Fagan of ASBESTOS magazine not to print anything about the International organization without check on with me. I think it would be a good idea to give her something for use in the next issue, even though it may be quite innocuous.

Sincerely,

JHM/ek
