JOHNS-MANVILLE CORPORATION a Corporation of the State of New York, : C O M P L A I N T
Defendant. :

The plaintiff residing at Bonnie Burn Sanitarium, Scotch Plains, New Jersey, complains of the above named defendant, a foreign corporation, as follows:

1. The plaintiff was in the employ of the defendant corporation at its plant in Manville, New Jersey, in the month of July, 1927, and for several years prior thereto.

2. The defendant corporation at the time herein set forth was engaged in the manufacture of asbestos products for commercial purposes.

3. The said defendant employed the plaintiff at the time and place above set forth in its manufacture of said asbestos products, and that the said defendant not only knew, but should have known that the said asbestos products contained certain dangerous, insidious and harmful agencies composed of asbestos fibers and other particles that were destructive to life and health in the human body when brought into close contact with the same.

4. The defendant not only knew, but should have known the dangerous nature of said asbestos fibers and particles and failed to keep the same in control but was negligent in allowing the said dangerous fibers and particles to escape

and to come within close proximity of the plaintiff's person, and exposed the plaintiff so that he came into contact with, and inhaled, the said dangerous fibers and particles to the extent that his bronchial tubes, lungs and body became permeated and infected with the same.

5. Plaintiff was not informed or warned by the defendant and had no knowledge of the nature of the said dangerous asbestos fibers and particles with which he was brought into close proximity and contact by the defendant's negligence.

6. The negligence of the defendant complained of is as follows:

(a) In failing to use reasonable care to provide the plaintiff with a reasonably safe place to work.

(b) In failing to use reasonable care to provide the plaintiff with proper masks or other appliances or safe guards in said work.

(c) In failing to use reasonable care to provide a proper ventilating system at its plant.

(d) In failing to use reasonable care to give proper warning, information and knowledge about the dangerous character of its work with the said asbestos fibers and particles to the said plaintiff at the time and place above mentioned.

7. The said asbestos fibers and particles were introduced into the plaintiff's body at the time and place aforesaid so that the plaintiff was permanently injured externally and internally in and about his head, body and limbs, causing the plaintiff great pain and suffering, both mental and physical, greatly lowered his resistance to disease and he became a victim of tuberculosis and thereby

The plaintiff demands the sum of $100,000.00 as damages from the defendant.

AFFIDAVIT OF EMIL RAUER

STATE OF NEW JERSEY :

COUNTY OF ESSEX :

EMIL RAUER, being duly sworn according to law on his oath says:

I reside at #2805 Fourth Avenue, Astoria, Long Island, New York.

At the request of the defendant herein I arranged an interview with John Perone at Bonnie Burns Sanitarium, Scotch Plains, N. J. for December 16, 1929. On that day in the presence of Mr. Archibald Hughes, General Manager of the Manville plant of the defendant company, Mr. Patsy La Torre and Miss Charlotte Wolf, I asked the said John Perone certain questions and received his answers, which questions and answers were stenographically reported by Miss Charlotte Wolf. At the conclusion of the interview Miss Wolf retired to another room and transcribed her stenographic notes to five pages of typewritten matter and delivered the same to me in Mr. Perone's presence and in the presence of the other persons hereinbefore named. I then delivered the typewritten transcript to Mr. Perone and requested that he read the same to determine whether or not it accurately reported the interview. When he had finished reading the five pages of typewritten matter and

said that it did accurately report the interview, Mr. Perone signed his name "John J. Perone" at the bottom of each of the first four sheets of the typewritten transcript and I then requested that he write at the end of the typewritten matter on page 5 the following:

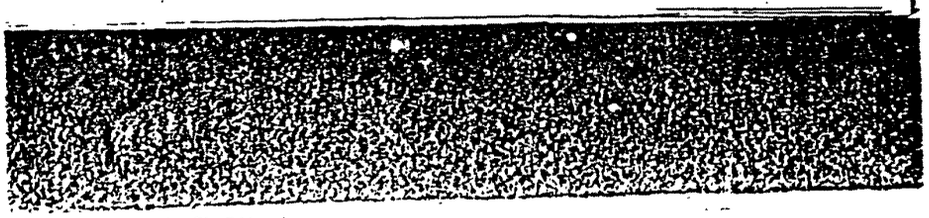

> "I have read this five page statement and the same is true and correct and I say once more that I want to drop my law case against Johns Manville Co."

Mr. Perone then signed his name immediately at the end of the statement written by him upon page 5 and below the signature on page 5 he wrote the date "Dec. 16, 1929". Mr. Patsy La Torre then signed his name on page 5 as a witness to the signature of Mr. Perone and I then signed my name immediately below the signature of Patsy La Torre.

Mr. Perone conversed with me in English for more than an hour and he had no apparent difficulty in understanding everything I said and communicating his thoughts to me.

I have examined the five typewritten pages reporting the interview with Mr. Perone attached hereto and the same is in the same condition as when signed by Mr. Perone on December 16, 1929.

AFFIDAVIT OF PATSY LA TORRE

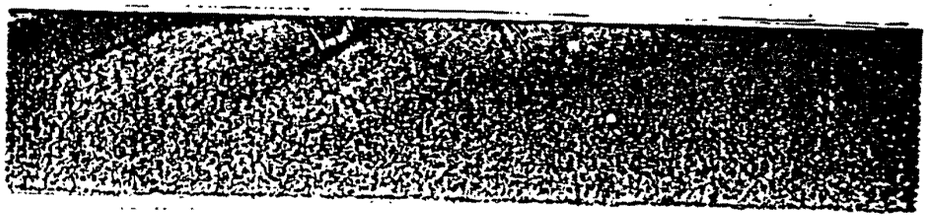

STATE OF NEW JERSEY :
: ss.
COUNTY OF ESSEX :

PATSY LA TORRE, being duly sworn, according to law, on his oath, says:

I reside at 310 East 112th Street, New York City. I am of Italian nationality and understand the Italian and the English languages.

On December 16, 1929, at the request of Mr. Emil Ramer, I went with him to interview one John Perone, the plaintiff in this case, at Bonnie Burns Sanitarium, Scotch Plains, N. J. When I arrived there with Mr. Ramer I found him in his room, sitting up in bed and partly dressed. With Mr. Ramer and myself were Miss Charlotte Wolf, a stenographer, and Mr. Archibald Hughes, of the defendant Company.

Mr. Ramer introduced himself to Mr. Perone, saying that he had been asked to investigate his case and asked him if he was willing to tell how his law suit was started. He said that he would tell us all about it. Mr. Ramer requested Miss Wolf to make a stenographic record of our conversation and she was present during the interview and made stenographic notes of the questions and

answers.

When I entered the room with Mr. Ramer, Perone asked me if I was an Italian and I told him that I was.

I noticed that he spoke good English and apparently understood all that was said to him.

I was present in Mr. Perone's room for an hour or more while Miss Wolf was taking her stenographic notes.

Miss Wolf then went to another room and transcribed her notes. The report of the questions and answers as written out by Miss Wolf on five pages was handed to Mr. Perone. He read them over carefully and then, in my presence, signed his name "John J. Perone" at the bottom of each of the four sheets, and on the fifth sheet he wrote out in his own handwriting, in my presence, the following:

> "I have read this five page statement and the same is true and correct and I say once more that I want to drop my law case against the Johns Manville Co."

He then signed page 5 in my presence at the end of this addition to the statement and dated it "Dec. 16, 1929"

I then witnessed the signature of Mr. Perone and Mr. Ramer did also.

I have examined the five sheets which are attached to this affidavit. These are the sheets which were signed by Mr. Perone with the addition above stated, and witnessed by me and are the same as when I witnessed them.
