Dear Charlie,

Spiralling costs of materials, labor, transportation and energy have compelled us to increase prices of materials supplied to your company by ten percent. The prices shown below will be effective on shipments made on and after April 1, 1974.

Asbestos Paper Makers Felt Yarns

Style L-68-308-1	@	$3.44 Lb. Net
Style L-70-754	@	$2.37 Lb. Net
Style L-72-1430	@	$1.99 Lb. Net
Style L-72-1430-1	@	$2.04 Lb. Net

Terms: Net 10th Prox. For shipments prior to June 30, 1974. F.O.B. North Charleston, S. C. with full freight allowed on shipments of 500 pounds and over.

Please be assured that we will do everything possible to reduce costs and increase efficiency in our plant so that hopefully, we will not have to announce another increase in the foreseeable future.

Thank you for the business you have given us. We hope that you will continue to favor us as in the past.

Yours very truly,

Baltimore, Maryland 21215

Dear Mr. McCormick:

Mr. Brian [illegible] has requested that we quote you on asbestos cloth requirements for [illegible]ipbuilding and Drydock Company's forthcoming annual requirements. We are pleased to quote as follows:

Non-Metallic Woven Asbestos Cloth
In Standard 50 Yard Rolls

R/M Style	ASTM Grade	Type	Width	Sq. Yd. Wt. (Pounds)	Net Price Lin. Yd. to 12/31/70	Net Price Lin. Yd. 12/31/70-6/30/71

8P225	Comm.	Plain	40"	2.25	2.58	2.77

* Glass yarn reinforced

Terms: 1% 10th prox., net 30th prox., for acceptance in 15 days and shipment prior to 31 December 1970. Exception: surcharge on metallic textiles subject to fluctuation. Freight prepaid and allowed from North Charleston, South Carolina on shipments of 200 lbs. and over. No terms in addition to those offered will be accepted.

The above quoted prices are applicable only to the requirements purchased by Maryland Shipbuilding and Drydock.

Mr. McCormick, you will certainly note that we have quoted two separate pricing structures for this requirement. With prices for material, labor and transportation rising so rapidly this year, we feel that we cannot commit ourselves for materials shipped after the end of 1970 at current prices. Reluctantly, therefore, we have offered to cover this requirement for the first half of 1971 at

Subject: Your Reference SS:GMC:ahw
(NCD)

Gentlemen:

... for your letter of 22 May asking for information about asbestos woven fabric that can be impregnated with epoxy resin.

We are pleased to quote as follows on several styles of asbestos cloth that we believe would be suitable for your purpose:

ASBESTOS WOVEN CLOTH - 40" WIDE

R/M Style	Type	A.S.T.M. Grade	Recommended Temp. Limits	Approx. Wt. Sq. Yd.	NET PRICE PER POUND 50 to 100 Yds.	Less th 50 yd

Attention: Mr. R. E. Warthan

Subject: Inquiry No. 32-453
Dated 11/1/68

Gentlemen:

We acknowledge and thank you for the above subject inquiry covering your annual requirements for nine items asbestos cloth and insulation to be purchased throughout the year 1969.

In response, we are pleased to quote by attaching a copy of your inquiry with prices and R/M Style Numbers shown thereon.

Our standard terms are as follows:

> Terms: 1% 10th prox., net 30th prox., for acceptance in 15 days and shipment prior to 31 December 1969. Shipping releases outstanding on December 31, 1969 are to be completed. Freight prepaid and allowed from North Charleston, S. C. on shipments of 200 lbs. and over. No terms in addition to those offered will be accepted.

Please note that, as in the past, we are quoting on our R/M lint-free flameproofed treatment, our equivalent to the lint-free Flamegard treatment which is an H. K. Porter trademark.

Samples of Items 1 through 7 on which we have quoted will be submitted for your approval, upon request.

Shipment of the estimated release quantities for the various items can be made to arrive within 30 days after date of release. All terms of purchase notes will be strictly observed.

We trust that our quotation will enable you to favor us with at least a portion of your annual requirements for cloth. If we can be of further assistance, please do not hesitate to contact us.

Very truly yours,

Attention: Mr. W. M. Malone, Branch Manager

Gentlemen:

In response to your letter of October 14th addressed to Mr. Carlyle Singletary of our Charleston office, we are forwarding to your attention under separate cover a copy of our Asbestos Textile Catalog describing our line of thermal insulating materials.

We are pleased to quote on the various products as listed in the catalog by submitting the following schedules for your consideration:

Schedule	Date	Asbestos Product	Percentage Discount
4PSM	2 May 1967	Plain & Metallic Cloth	60-10-5
4M	1 Nov. 1965	Cloth, Thread & Tape to Fed. Spec. SS-C-466B	60-10-5
4SL	1 Jan. 1968	Speedlag Asb. Lagging Cloth	10-5
6ML	1 Nov. 1963	Metallic Tape	60-10-5
6PL	1 Nov. 1965	Plain Tape	60-10-5
6GT	15 Dec. 1966	R/M 'Cator Tape	10
6TH	1 Nov. 1968	Style 25 Insulating Tape	60-10
6TT	1 Nov. 1968	Thermal Insulating Tape	10
5	1 Nov. 1968	Braided Tubing	60-10-5

Terms: 1% 10th prox., net 30th prox., for acceptance in 15 days and shipments prior to 31 December 1968. Freight prepaid and allowed from North Charleston, S. C. on shipments of 200 lbs. and over. No terms in addition to those offered will be accepted.

If favored with an order, reasonable quantities usually can be shipped within three weeks after receipt of the order at the factory.

The above schedules dated November 1, 1968 become effective on all shipments starting November 1st. This is in keeping with Mr. H. L. Somerset's letter to the trade (see attached) explaining the necessity of increasing prices on most of our asbestos textile products, cloth not included.
