Dear Sir,

re ASBESTOS INSTALLATION ABOARD SHIPS

Thank you for your letter of 10 November 1973 concerning the organisations to which the Chief Inspector's letter of August 1945 was sent.

I wish to confirm that copies of this letter were sent to the Thermal Insulation Contractors Association c/o Messrs. Kitsons Insulations Limited, London Road, Barking.

Receipt of this letter was confirmed in a reply from the Association on letter headed notepaper on 14 September 1945. This letter also requested further copies of the Chief Inspector's letter for circulation to the members of the Association.

I note from the letter heading of this letter and also a further letter received in December 1950 on another matter, that the Thermal Insulation Contractors Association appeared at that time to exist as a Northern and Southern section. It might be that your informant is confusing the setting up of the Association with perhaps the setting up of a centralised secretariat.

Yours faithfully,

J M HENRY
