CIVIL ACTION NO. 6329

APPLICATION TO VACATE ANSWER FILED BY VINSON, ELKINS, SEARLS & CONNALLY FOR STANDARD ASBESTOS MANUFACTURING AND INSULATION COMPANY

Answer was mistakenly filed by Tom Weatherly, the basis being a telephone call from a client who said they probably had a duty to file it. This turned out to be an error and the proper one to file answer is Jim Mehaffey, who has done so. We therefore respectfully request the Court to vacate the answer filed by the undersinged and leave effective the answer filed by Mr. Mehaffey.

Respectfully submitted,

VINSON, ELKINS, SEARLS & CONNALLY
