COPY

Dear Ward:

Under separate cover I am sending you four (4) samples of asbestos products produced by Standard Asbestos Manufacturing & Insulating Company. This is in compliance with the Court's order on your motion to produce. I am sending a copy of this letter to the District Clerk so that the Clerk will have a record of my compliance with the Court's order.

You will note that each sample is labled. One of the samples, that of pipe covering, is no longer produced by the company, and I am unable to find out when it was last produced, although everyone seems to think that it was in about 1955. I obtained two (2) samples of this material. The one I am sending you differs slightly from the one which I am keeping in my office. You may have it too if you so desire.

Sincerely yours,

James W. Mehaffy
