VS.	)	CIVIL ACTION NO. 6329
	)	
FIBREBOARD PAPER PRODUCTS CORPORATION, ET AL	)	

ORDER ON OBJECTIONS AND MOTION TO LIMIT AND RESTRICT PLAINTIFF'S MOTION FOR DISCOVERY

The Court having duly considered the objections of the defendant, Pittsburgh Corning Corporation, to plaintiff's motion for discovery and its motion to limit and restrict plaintiff's motion for discovery, it is accordingly ORDERED:

Each and all of the objections of the defendant, Pittsburgh Corning Corporation, to the motion for discovery are sustained.

The defendant is excused from the production of all engineering, scientific and research data concerning its products manufactured by it which contain some asbestos, since the content of the product has been disclosed in answer to interrogatories.

The defendant shall furnish to plaintiff the following:

Defendant shall furnish a representative sample of its products containing some asbestos which are currently manufactured by the defendant or which have been manufactured within the last five (5) years, but a sample of each and every product need not be produced.

As to products which are produced, the defendant shall number such product with a code name and then furnish the Court with the code name, the trade name, the name of the manufacturer and the dates of manufacture, the dates of manufacture being included in the answers to the interrogatories.

The defendant shall furnish current sales material concerning its product, its use and application.

ORDER ON OBJECTIONS AND MOTION TO LIMIT AND RESTRICT PLAINTIFF'S MOTION FOR DISCOVERY.

The Court having duly considered the objections of the defendant, Combustion Engineering, Inc., to plaintiff's motion for discovery and its motion to limit and restrict plaintiff's motion for discovery, -

IT IS ACCORDINGLY ORDERED that each and all of the objections of the defendant, Combustion Engineering, Inc., to the motion for discovery are sustained.

Further, said defendant is excused from the production of all engineering, scientific and research data concerning its products manufactured by it which contain some asbestos, since the content of the product has been disclosed in answer to Interrogatories.

The defendant shall furnish to plaintiff the following:

Defendant shall furnish a representative sample of its products containing some asbestos which are currently manufactured by the defendant or which have been manufactured within the last five (5) years, but a sample of each and every product need not be produced.

As to the products which are produced, the defendant shall number such product with a code name and then furnish the Court
