Mr. Vandiver Brown,
Johns-Manville Corpn.
New York, N Y.

Dear Sir:

Mr. Sumner Simpson of Raybestos-Manhattan, Inc., tells us that you are interested in the study of Asbestosis.

This morning thru our clipping service we learn of the following article on this subject.

"A Study of Asbestosis in the Asbestos Textile Industry. By Waldemar O. Dreesen, Passed Assistant Surgeon and others. From the Division of Industrial Hygiene, National Institute of Health. Prepared by direction of the Surgeon General, U. S. Treasury Department, Public Health Service, Public Health Bulletin 241. Paper. Price 20 cents Pp. 126, with 64 illustrations, Washington, D. C. Supt of Doc., Government Printing Office, 1938."

You have probably seen this Bulletin, but we thought no harm would be done by bringing it to your attention in case you have not.

Very truly yours,
"A S B E S T O S"

TJ
