THE SARANAC LABORATORY FOR THE STUDY OF TUBERCULOSIS
OF
THE EDWARD L. TRUDEAU FOUNDATION

POST OFFICE BOX 551
7 CHURCH STREET
SARANAC LAKE, N.Y.

January 19, 1940

Mr. Sumner Simpson
Raybestos-Manhattan, Inc.
Bridgeport, Conn.

Dear Mr. Simpson:

This mornings mail brings a letter from Vandiver Brown informing me that the sponsors of our experiments on asbestosis have agreed to continue their support for another year. Naturally this is most gratifying and I am very happy that we shall be able to finish our job. I greatly appreciate your backing and realize that without your support we would probably have encountered more difficulty.

With kind regards,

Sincerely yours,

Leroy U. Gardner, M.D.
Director
