Dear Mr. Mitchell:-

With further reference to the report of Dr. Leroy U. Gardner, copy of which I had received from Mr. Simpson and copy of which I handed you last Friday afternoon, I am enclosing herewith a copy of a letter which was addressed to me by Mr. Simpson under date of April 29, 1938 and also a copy of Mr. Vandiver Brown's letter addressed to Mr. Simpson under date of April 28th.

You may recollect that I also mentioned to you that Captain Ross, of the Asbestos Corporation, when he was here recently, had spoken to me in regard to an article which had appeared in a South African Mining & Engineering Journal about the early part of the present year, and I am therefore attaching hereto a copy of this paper which was sent me by Capt. Ross, and you will notice same is captioned- "Extract from the South African Mining and Engineering Journal issue of January 15, 1938".

Yours very truly,
