SUBJECT: REPORT OF DUST CONTROL STUDY IN TWISTING AND CUP WINDING DEPARTMENTS BY THE SOUTH CAROLINA STATE BOARD OF HEALTH

Dear Mr. Simpson:

Referring to yours of the 19th inst., in which you acknowledge receipt of the copy of the report which was made as a result of the examination of our Plant by a representative of the South Carolina State Board of Health, this report having been forwarded to yourself along with ours of November 12th.

We note that in the last paragraph of your letter you request that we forward you a report on the card room. In regard to this, we beg to advise that at the time of the last examination Mr. Brown did not make any examination of the card room. The last report which we have on the card room was contained in the report which Mr. Brown made on the investigation based on the examination which he made during the early part of the present year, and a copy of said report was handed to you by the writer along with his letter of May 26, 1937.

If for any reason you cannot locate this report in your files if you will notify me I will have another copy made and will forward same to yourself.

As instructed by you, I am this day forwarding to Mr. Weber a copy of the report on the recent examination
