Air Hygiene Foundation of America, Inc.,
4400 Fifth Avenue,
Pittsburgh, Pa.
April 27, 1939.

NOTE TO MEMBERS:

Enclosed is a copy of Mellon Institute's annual report which has just been published and which contains a special section on the work of Air Hygiene Foundation (see page 239). Parts of this section may interest various executives in your organization. May we ask, therefore, that you please bring the material to the attention of your associates? Also enclosed is a reprint of an important article on aluminum vs. silica dust. Extra copies of both reprints are available if desired.
