Mr. Vandiver Brown, Secretary

Twenty-two East Fortieth Street
New York, New York

My dear Mr. Brown:

Several members of the asbestos industry have asked me whether or not we have ever had a final report from Dr. Gardner in regard to the experiments being made at Saranac.

In checking with Mr. Simpson's secretary, I find no final report was ever received although one was promised several years ago. Can you bring me up to date in regard to this matter?

Very truly yours,
