April 20, 1948

Mr. Vandiver Brown, Secretary
Johns-Manville Corporation
Twenty-two East Fortieth Street
New York 16, New York

Dear Mr. Brown:

Replying to your letter of April 19, I believe it might be preferable for a few representatives to meet to review the Saranac Laboratory's report before it is released to the entire group.

The fact that Dr. Lynch, of Charleston, S. C., is reviewing Dr. Gardner's experimental notes is interesting.

Very truly yours,

JFDR:G

President
