Raybestos-Manhattan, Inc.,
Stratford, Conn.

My dear Mr. Simpson:

Our Dr. Keating, Mr. Boyd and the writer have read the report on the Air Hygiene Foundation that you so kindly sent us and we have forwarded it to Mr. Heinsohn at Charleston as you suggested.

For your information, Mr. Boyd is our Safety Engineer. He is foreman of our Moulded Brake Lining Department but several years ago displayed considerable interest in safety work, so he now handles much of our safety work in addition to his regular duties.

Yours very truly,

John H. Matthews
