THE SARANAC LABORATORY FOR THE STUDY OF TUBERCULOSIS
OF

THE EDWARD L. TRUDEAU FOUNDATION

Post Office Box 551
7 Church Street

SARANAC LAKE, N. Y.

April 19, 1938

Mr. Vandiver Brown
Johns-Manville Corporation
22 East 40th Street
New York City

Dear Mr. Brown:

I am enclosing herewith a summary of our experiments on asbestosis. As the results differ materially from those obtained in the previous experiment I am appending some comparative photographs. In case you wish to make several copies of the report for the various contributors, I am sending along duplicate prints for this purpose.

Trusting that you may not be too disappointed by the negative character of the results, I am, with very best regards

Sincerely yours,

(s) Leroy U. Gardner, M.D.
Director
