Attention: Safety Engineer
or Toxicologist

Gentlemen:

We are surveying the health facilities of the Hastings Mill, Anaconda Wire and Cable Co. and note you supply them with "Asbestos". Will you please let us know your specifications on this product.

We realize that the subject of asbestosis is extensive but it is probable that you have at your command published or unpublished data concerned with it as an industrial hazard. Who can we contact on this subject.

We would appreciate it if you could send this information to us at the College but if you prefer please send it directly to Mr. V.F. diLustro, Manager Hastings, Mill.

Sincerely yours,

Linn J. Boyd, M.D., F.A.C.P.
