Bridgeport, Conn.,
January 22, 1937.

Mr. Thomas L. Gatke,
Gatke Corporation,
Chicago, Illinois.

Dear Tom:

Would you be good enough to return at your earliest convenience, agreement with respect to the employment of Doctor Gardner of Saranac, New York, by the group?

Actual work on the part of Doctor Gardner has been started, and I am anxious to get the signatures of all the Companies interested, and the agreement, in the hands of Johns-Manville as quickly as possible.

Very truly yours,

MFJ-O.

M. F. Judd.
