Mr. Vandiver Brown, Attorney,
Johns-Manville Corporation,
New York City.

Dear Mr. Brown:

Thank you very kindly for your letter of May 15, itemizing Mr. Binder's expense appearing on the last invoice.

I was not aware that he had been doing any work of late in the interest of the Corporation, and am pleased to note from your letter that he was at Manheim during the week ending April 20. In this connection, I am wondering if it could be arranged so that we might be advised when Mr. Binder is doing any business in our behalf, suggesting that a report be made on each occasion, and it would be nice if this could be sent to the attention of Mr. Simpson so that I might be certain that he is familiar with all work done in our behalf. These reports would come to me in the natural course of events, and I, too, would be posted.

I am glad to note from your letter that you feel Mr. Binder is doing very satisfactory work.

Yours very truly,

MFJ-O. Secretary.
