Mr. Vandiver Brown,
Johns-Manville Corporation,
New York City.

Dear Mr. Brown:

I have an invoice before me covering Mr. O. L. Binder's salary and expense for April. Notice there is an expense item of $81.48, and am wondering if this covers any work done at either your plants or ours. I am not aware of his having been at any of our plants, and wonder if you can tell me what he is doing at present.

In the meantime, I am passing the invoice for payment, inasmuch as it also includes half his salary for April.

Yours very truly,

M. F. Judd.
