Mr. W. H. Dunn, Comptroller
Raybestos-Manhattan, Inc.
Passaic, New Jersey

Dear Mr. Dunn:

We are writing to the Air Hygiene Foundation of America, Inc., asking if it will be possible to supply Bulletins to the other three Divisions of the Corporation, namely, Manhattan Rubber, United States Asbestos and General, and as soon as we hear from them, will advise you definitely. We are asking them to supply Bulletins #1, #2 and #3 as requested in your letter.

It is true that the number of employees of the Corporation, according to the schedule as set up by them, brings us in the $350.00 per year class, but we made a special arrangement with them at the time they were soliciting our membership, agreeing to pay $200.00, which was satisfactory to them.

We shall endeavor to have Mr. Hudson render to you the bill referred to in the last paragraph of your letter, and in the future, we will send the invoices direct to you so you can pay them from Passaic.

Yours very truly
