Mr. W. H. Dunn, Comptroller
Raybestos-Manhattan, Inc.
Passaic, New Jersey

Dear Mr. Dunn:

Referring to your letter of February 1, I am inclosing a copy of Application for Membership in the Air Hygiene Foundation of America, Inc., which you may retain for your files. Am also attaching copy of the Membership Charges for 1937, these same charges being in effect during the year 1938.

I am also sending copy of the Legal Bulletins which they send to us, and would appreciate your passing this on to the parties most interested, then when you are finished with same, it might be a good idea to mail this to Manheim so they may be familiar with it.

I would like to have this bulletin returned to us for our files after it has answered its purpose.

Yours very truly

Secretary
