Mr. W. H. Dunn, Secretary & Comptroller
Raybestos-Manhattan, Inc.
Passaic, New Jersey

My dear Mr. Dunn:

I wonder if the enclosed statement from the Johns-Manville Sales Corporation covers one of the invoices we received in connection with the experiments at the Saranac Laboratory.

It is my recollection that the invoices for the second and third quarters were received at just about the same time, and possibly one of them has been overlooked. Will you please be kind enough to ask some one to look this up for us?

Very truly yours,

MNG
