Mr. S. Simpson, President
Raybestos-Manhattan, Inc.,
Bridgeport, Conn.

Dear Mr. Simpson:

Thank you for your letter of November 19.

I am more than well aware of the situation which you outline and I am extremely sorry that it has been impossible to complete the report on asbestosis which you so urgently desire. I believe that the enclosed copy of a letter just written to Mr. Vandiver Brown will serve as an adequate response to your inquiry, for present purposes at least.

Sincerely yours,

Manfred Bowditch
Field Director
