Thank you very kindly for your letter of December 20th. We shall all be glad to greet you at our Stratford plant.

Inasmuch as we are leaving this week for a three weeks' trip, will you kindly defer your visit until the first or second week in February? If you will inform us a definite date during February when you can visit us, we will arrange to have all interested on hand to go through the plant with you.

Again thanking you for your kind cooperation, I am,

Yours very truly,
