Form No. 8003

INTER-ORGANIZATION COMMUNICATION

RAYBESTOS-MANHATTAN, INC.

UNITED STATES ASBESTOS DIVISION

TO:

No. _____

ATTENTION: Mr. R. L. Moore

Date November 3, 1965

SUBJECT:

Reference: _____

Attached is copy of letter from the Department of Health, Education, and Welfare, together with results referred to. I have acknowledged the letter.

Please have Mr. Wronski review these results carefully for whatever useful information we can get out of them. Following this, I think we should discuss them.

The master file on this subject is in Mr. McFerren's office and I suggest these results be kept there after Mr. Wronski is through with them. However, they can remain in the laboratory if the technical information and references are of more value there.
