Jan. 4, 1935

Mr. A. F. Townsend, Chairman,
Raybestos-Manhattan, Inc.,
Passaic, N. J.

My dear Mr. Townsend:

Enclosed is copy of report of the survey of the Manhattan Rubber Division, made by the Metropolitan Life Insurance Co.

There are several places where the dust count is very bad. I should like to discuss the matter with you after you have looked over the report.

Very truly yours,

SS-G.
