Mr. Geo. R. Weber, Vice President
United States Asbestos Division
Manheim, Pa.

My dear Mr. Weber:

Enclosed is a copy of the report of the recheck survey at the United States Asbestos Division made by Dr. W. J. McConnell, Assistant Medical Director of the Metropolitan Life Insurance Co.

I have not had a chance to study this in comparison with the old reports, and shall be very glad to have your comments on it as to whether or not there has been an improvement in the various departments.

Very truly yours,
