Mr. Jas. E. Kavanagh, Vice Pres.,
Metropolitan Life Insurance Co.,
New York City.

My dear Mr. Kavanagh:

Thank you for a very pleasant visit at your office last week. I appreciated it very much.

In reference to the insurance at the various Divisions, will take it up with Mr. Dunn, our Comptroller, as soon as he returns from a trip he is now making, which will probably be the first of next week.

With best wishes,

Very truly yours,

SS-G.

President
