Dust

Bridgeport, Conn.
June 16, 1939

Mr. O. H. Cilley
United States Asbestos Division
Manheim, Pa.

My dear Mr. Cilley:

Congratulations on the great improvement in the dust count between 1935 and 1939.

I knew you had been making some splendid advancement, but am very much surprised to find it as great as shown by your report.

Very truly yours,

SS:G

President
