Mr. O. H. Cilley
United States Asbestos Division
Manheim, Penna.

My dear Mr. Cilley:

Under separate cover, I am sending you a book, "Pneumoconiosis (Silicosis) The Story of Dusty Lungs."

After you and Mr. Luttenberger have looked it over, will you please send it to Mr. Heinsohn.

There are some very interesting paragraphs I think you both would like to read.

Very truly yours,
