Mr. Vandiver Brown, Secretary

My dear Mr. Brown:

I am enclosing copy of a letter from the Saranac Laboratory, with which was enclosed copy of their letter to you on the same date. (I also thought it was time to check them up.)

I stopped at the Laboratory this summer, but Dr. Gardner was not in and I did not have the opportunity of talking with him.

It does not look to me as if we have very much prospect of getting the report for a long time to come.

Very truly yours,
