Mr. Vandiver Brown, Attorney,
Johns Manville Corporation,
22 East 40th St.,
New York City.

My dear Mr. Brown:

I have received your invoice #938-CO-42 covering first quarter payment for the asbestos study by the Saranac Laboratory, and am returning it with a copy of letter I received from Mr. Dunn dated March 15. I had instructed Mr. Dunn to send you a check for the full year; i.e. $3666.67.

I would suggest that you change this invoice to read a year's participation, receipt same, and return to us.

Very truly yours,

SS-G.

Encs.

President
